Rotary International Theme 2012-2013

Peace Through Service

Rotary Motto
Service Above Self

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST: The development of acquaintance as an opportunity for service;
- SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four-Way Test

1. Is it the **Truth**?
2. Is it **Fair** to all concerned?
3. Will it build **Goodwill** and **Better Friendships**?
4. Will it be **Beneficial** to all concerned?

For 32 years, Tanaka was president of Tanaka Company Ltd., a wholesale firm that went public in 1995 and later merged with other leading wholesalers in Japan. Currently, he serves as vice president of the Yashio City Chamber of Commerce and adviser to Arata Co. Ltd., an animal feed and pet food wholesaler. He also chaired the National Household Papers Distribution Association of Japan for eight years. Tanaka studied business at Nihon Management Daigakuin and Tokyo Management Daigakuin.

A past trustee of The Rotary Foundation, Tanaka chaired the 2009 Birmingham Convention Committee. His other service to Rotary includes RI director, regional Rotary Foundation coordinator, district governor, and member of the Polio Eradication Advocacy Task Force, the Permanent Fund Committee for Japan, and the Future Vision Committee.

Tanaka established an endowed Rotary Peace Fellowship, and he and his wife, Kyoko, are Paul Harris Fellows, Benefactors of the Permanent Fund, and Major Donors.

He is a recipient of RI's Service Above Self Award and The Rotary Foundation's Distinguished Service Award.

Tanaka said that eradicating polio will "fulfill the promise we made to children in the world" and that "there is no doubt in my mind that the day of this success will be realized in the near future."

Tanaka and Kyoko have three children and five grandchildren.

Rotary International President Elect Ron D. Burton

Ron D. Burton, a member of the Rotary Club of Norman, Oklahoma. Burton retired as president of the University of Oklahoma Foundation Inc. in 2007. He is a member of the American Bar Association, as well as the bar associations of Cleveland County and the state of Oklahoma. He is admitted to practice in Oklahoma and before the U.S. Supreme Court.

"This is an exciting time to be a Rotarian," Burton says. "I believe we are well poised to capitalize on our strengths as we embrace the [RI] Strategic Plan and the Future Vision Plan. My vision is to have every Rotarian appreciate what it means to be a Rotarian. With these two tools, we can make that happen."

Active in his community, Burton is a founder and past president of the Norman Public School Foundation, and founder and past board member of the Norman Community Foundation. A recipient of the Silver Beaver Award, he is a past vice president of the Last Frontier Council of the Boy Scouts of America.

Burton believes that Rotary's promotion of high ethical standards is one of the qualities that sets it apart from other organizations. "It assures those dealing with us that we can be trusted," he says. "Most of us are in a business or profession that already has a code of ethics. Vocational service in Rotary just adds to that responsibility. We have an obligation to go above and beyond to make sure that all our actions are above reproach."

A Rotarian since 1979, Burton is vice chair of the Future Vision Committee and a member of the Polio Eradication Advocacy Task Force for the United States. He has served RI as director; Rotary Foundation trustee and trustee vice chair; International Assembly moderator, assistant moderator, and group discussion leader; and district governor.

His other service to Rotary includes chair of the 2011 New Orleans Convention Committee, vice chair of the Investment Advisory Committee, liaison trustee of the Vocational Service Committee, Permanent Fund national adviser, and regional Rotary Foundation coordinator. He was aide to 2006-07 RI President William B. Boyd.

Burton has received the RI Service Above Self Award, The Rotary Foundation Citation for Meritorious Service, Distinguished Service Award, and International Service Award for a Polio-Free World.

Burton and his wife, Jetta, have two children and three grandchildren.

District 5630

District Governor's Message

The most sincere message I can deliver to every District 5630 Rotarian is one of gratitude for all you do to provide service above self in your community and throughout the world. You and your contributions of time, talent, and treasure prepare the way to "Peace through Service."

The Rotary year ahead of us will be a year of transition to encourage our district and clubs to participate more fully in six primary service areas: Peace and Conflict Prevention/Resolution; Disease Prevention and Treatment; Water and Sanitation; Maternal and Child Health; Basic Education and Literacy; and, Economic and Community Development. We will provide clubs with the tools and resources they will need to embrace these new program opportunities. Under the leadership of PDG Dave Snow, we will continue to assist our clubs with strategic planning through "visioning" workshops. We will implement a new initiative through the Rotary Leadership Institute (RLI) that will educate club representatives about Rotary and the many program opportunities and services available through our Rotary organization. Clubs that participate in these programs will be well equipped to meet eligibility requirements for the RI Presidential Citation and Governor's Citation.

PDG Ron Bazata's "Extreme Makeover" theme during this past year has propelled us in a positive direction toward membership growth and retention. We will continue to build on these successes with the formation of an e-Club and the expansion of the number of community based clubs in our district. Our newly formed Information Technology Committee will examine ways to collaborate with other district committees to utilize our district website as an education resource for new club members as well as an information exchange for all district Rotarians.

On the international horizon, our Group Study Exchange (GSE) with District 4580 in Brazil has been approved. We will soon begin the process of selecting a GSE outbound team comprised of individuals involved in the focus area of Basic Education and Literacy to travel to Brazil in early May. The inbound team from Brazil will visit our district in mid to late April. We have also budgeted for travel scholarships to encourage clubs to identify and participate in international projects.

As Rotarians, we are "This Close" to eliminating polio from the face of

the earth! Consider traveling to India with Dale Schultz in February/ March to participate in a National Immunization Day (NID). While evidence of endemic polio has decreased in the past year, it is essential that we continue our effort to support the PolioPlus Campaign and finish the job. Your sustaining support of this important program is essential to the completion of this campaign.

Our New Generations activities continue to thrive as we manage our Youth Exchange Programs, Great Plains RYLA, Rotaract and Interact Clubs. During this year we will develop the guidelines for the award of global scholarships as a part of the new grant funding program that will begin on July 1, 2013.

Much of what we do requires fundraising. While our clubs successfully generate the resources needed to support local service projects, we hope that we can become more active in boosting the benefits of these fundraising activities with a greater participation in The Rotary Foundation's (TRF) matching grant programs. Please be reminded that each individual's personal contributions to TRF through Every Rotarian Every Year (EREY) provide a return of investment directly to us for district managed grant funding in future years.

Our district is fortunate to have an outstanding team of leaders who serve as district officers, district committee chairs, and assistant governors. A listing of these individuals can be found in this directory. Please keep in contact with and utilize these valuable resources in support of your club activities.

I hope that each of you will take an active role in whatever aspect of Rotary service that most appeals to you. I look forward to visiting each of our clubs at the beginning of our new Rotary year. I welcome your comments, suggestions, and ideas about how we can continue to strengthen our programs and services in District 5630.

The components of this plan include defined responsibilities and duties for assistant governors and district committees, as well as defined limits to terms of service and number of terms. Refer to <http://www.rotary5630.org/documents> on the Rotary District 5630 web site for access to the District 5630 Bylaws (Rev. 2012) and the District 5630 Leadership Plan documents.

District 5630 Organizational Chart

The Membership Process

In all of the above it is critical to get buy-in from the club on goals and to identify who is responsible for each activity.

The Club Leadership Plan

The Club Leadership Plan is the recommended administrative structure for Rotary clubs. It is based on the best practices of effective Rotary clubs. Because each Rotary club is unique, the Club Leadership Plan is flexible enough to support the individual needs of clubs around the world.

Although it isn't mandatory for any club to adopt the Club Leadership Plan, every Rotary club, new and old, can benefit from standardizing its administrative procedures based on these best practices:

- Develop long-range goals that address the elements of an effective club.
- Set annual goals that support long-range goals.
- Make sure that all club members feel involved and informed.
- Keep the lines of communication open, both in the club and with the district.
- Ensure continuity in leadership from year to year.
- Customize the bylaws to reflect club operations.
- Provide regular fellowship opportunities.
- Actively involve all club members.
- Offer regular, consistent training.

"The Club Leadership Plan can help clubs increase their ability to meet their goals in each Avenue of Service."

Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the Avenues of Service, which form the foundation of club activity. To get started on a project, think broadly about how your club and its members could contribute within each avenue.

Club Service

Club Service focuses on strengthening fellowship and ensuring the smooth functioning of Rotary clubs.

Vocational Service

Vocational Service involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.

Community Service

Community Service is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.

International Service

International Service encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.

New Generations Service

New Generations Service recognizes the positive change implemented by youth and young adults through leadership development activities such as RYLA, Rotaract and Interact club service projects, and creating international understanding with Rotary Youth Exchange.
