

New Member Incentive Checklist -- Rotary District 5630

Welcome to the Rotary Club of _____

The members of our club are pleased you chose to join our club! We have found that when new members become quickly involved in Rotary activities, they become more connected to the club and with Rotary International. When you initially join, you will be given an opportunity to complete the activities listed below.

As soon as you have completed all eight, sign and return this sheet to the Club Secretary. At a future meeting, you will be presented your Rotary name badge. You should be able to easily complete this process within 45-60 days of your induction.

To help you become better acquainted with Rotary, your sponsor will be assigned as your mentor. They will help you learn about the club and answer your questions about procedures and opportunities for Rotary Service. Feel free to ask them anything!
